Experience

Brand Designer

Moshi Moshi - The communication Company | April 2025 - Present

- Worked with 30+ clients on branding, packaging, and UI design projects across multiple industries.
- Designed commercially launched packaging currently available on retail shelves in the market.

Graphic Design & UI/UX Design Intern

Drona Aviation | October 2023 - October 2024

- Designed posters, banners and social media posts, and produced weekly reels to enhance digital engagement.
- Developed high-fidelity wireframes for the Pluto Drone app using Figma, improving the user interface design.

Design Intern

Icarus Design Pvt Ltd | March 2024 - May 2024

- Conducted competitor analysis, site visits and crafted UX strategies to enhance user experience.
- Developed comprehensive wireframes, journey maps and performed qualitative and quantitative research, delivering high-fidelity prototypes using Figma.

Junior Graphic Designer

Atria University | December 2023 - February 2024

- Created posters, newsletters, social media posts, YouTube videos, thumbnails and podcasts to boost content reach and engagement.

Graphic Design Intern

Atria University | March 2023 - August 2023

- Designed engaging brochures, captivating social media posts and various visually appealing assets to effectively communicate the university's message and connect with the target audience.

UX Designer, Graphic designer

Drona Aviation| April 2023 - July 2023

- Produced visually compelling graphic designs to showcase and promote company products, while managing social media posts and stories.
- Contributed to enhancing the company's website UI/UX, improving overall user experience.

Digital Media Designer Intern

FrozeHive| January 2012 - January 2013

- Developed the brand identity and managed the creation of social media posts to align with the brand's vision.
- Delivered wireframes, high-fidelity prototypes and competitor analysis using Figma to guide design strategies.

Education

Atria University

Bachelor of Design in Interactive technologies | 2021 - 2025

- Studying under full academic scholarship.
- Focus on UI/UX Design, Product Design, Industrial Design, Graphic Design and Brand Identity Design.

Courses

Google UX Design Professional Certificate

Coursera | March 2023 - March 2024

- The course provides a comprehensive training in user experience (UX) design, covering the basics of UX research, wireframing, prototyping and user testing to help learners build job ready skills.

Skills

Design

User Experience · Interaction Design · User Interface · Physical and Digital Prototyping · Visual Design · Wireframing · Low-High Fidelity Mockups · 3D modeling

Research

User Interviews · User Testing · Information Architecture · Journey Mapping · Quantitative Analysis · A/B Testing · Competitor Analysis · Design Strategy

Software

Illustrator · Figma · Maya 3D· Fusion 360 · Keyshot· Photoshop · Premiere Pro· Arduino (working knowledge) · Adobe XD · DaVinci

Visual Design

Poster Design · Branding · Typography · Iconography· Web Design · Stylesheets and Guidelines

Other Skills

Rapid Iteration · Cross-functional Collaboration and Communication · Human-centered Approach · 3D printing · Interaction Design · Service Design
